

## POLITICS IN NORFOLK.

### THE DEMOCRATS DENOUNCE ELECTION CROOKEDNESS.

The Organization in the County in the Worst Condition in its History—Strong Resolutions Passed—Robbery.

NORFOLK, VA., May 30.—Special.—The Democrats of Tanager's Creek district, of Norfolk county, held a meeting in Hunterville last night and passed resolutions denouncing certain crookedness by alleged Democrats. Norfolk county is always in a badly organized condition after every election. There is always charges of fraud and corruption, but never in the history of the Democratic party in the county has there been such a row as at the present time. On motion the meeting decided to attend, in a body, the indignation meeting to be held in Berkley to-night.

The report that a young business man who went out to paint the town red was induced to take a hand at a game of cards in the second story of a restaurant on Main street, and that he lost \$200, is the talk of the town this morning. The young man was full of whisky, in the hands of sharpshooters and was robbed. The people of the place learned of the check and stopped the payment of the checks.

### NATIONAL DECORATION DAY.

Coming from Staunton to the Reinterment Ceremonies.

STAUNTON, VA., May 30.—Special.—National Decoration day was observed here to-day by closing the postoffice and a parade by the colored band, and the people who marched to the National cemetery and strewed the graves of the Federal soldiers with flowers.

To-night at 12:30 o'clock the Stonehill Band, with thirty members, and Jackson Camp of Confederate Veterans, fifty strong, leave for Richmond, to take part in the reinterment ceremonies of Jefferson Davis. Jackson Camp will be under the command of Major J. D. Hotchkiss. Major Hotchkiss will have with him his secretary, George W. May, who was from start to finish a member of the Twelfth Virginia regiment of Mahone's old brigade.

H. C. Tinsley, chief editor of the Staunton Vindicator, has returned from Johns Hopkins Hospital, and has taken charge of his paper again. He has gained forty pounds, and has been warmly greeted everywhere by his friends with congratulations at his splendid appearance.

Colonel C. T. O'Fallon has been in town to-day looking after political matters.

### SUDDEN DEATH OF AN OLD CITIZEN.

President Kimball's Donation to the Roanoke Hospital.

ROANOKE, VA., May 30.—Special.—Patrick Maher, aged seventy-seven, died suddenly this morning. The remains will be taken to Blainville, Pa., to-morrow for interment.

A large number of Confederate veterans will leave to-night for Richmond to attend the Davis reinterment.

Miss Annie, daughter of Captain William R. and Mrs. Lucy Preston Beale, of Buchanan, still continues at the point of death.

Mrs. Rhoda Wright, an aged lady, residing at Red Plains, Franklin county, died last night.

F. J. Kimball, president of the Roanoke Machine Works, subscribed \$500 in cash to our hospital building fund, and subsequently donated \$500 of the \$500 paid him for a three-acre site, and to-day made a further donation of the \$500 yet due on the land.

FREDERICKSBURG NOTES.

FREDERICKSBURG, VA., May 30.—Special.—A special train of five coaches reached here to-day about noon, having brought from Richmond the members of Phil Kearny Post, G. A. R., and several hundred other persons. The object of the visit of the Post was to take part in decorating the graves in the National cemetery here. The train arrived at the depot on the arrival of the train by the invited guests of this city.

Mr. George Napper, a young man about twenty years of age, was drowned a few days ago while bathing in the North Anna river, near Green Spring, in Louisa county.

Captain John Ward shipped 17,000 railroad ties from this city to the Philadelphia market this week.

### Republican Gloucester.

GLOUCESTER COURTHOUSE, VA., May 30.—Special.—The Republicans and Populists carried every precinct in the county last Thursday, with the exception of one. The only slip left to remind Democrats that they had a ticket in the field was the election of one magistrate, who, the Republicans were satisfied, would not qualify if elected to that office.

Elizabeth City Democratic.

HAMPTON, VA., May 30.—Special.—LeGrand Donahoe, the Democratic candidate for clerk of Elizabeth City county, was to-day awarded the certificate of election over John Hooker, the present incumbent. This will be the first Democratic clerk our county has had since the war.

### Washington County Court.

ABINGDON, VA., May 30.—Special.—County court began here yesterday. The first case entered into was that of young Cuvim, to be tried for the murder of Cuvim last Christmas. About 12 o'clock the court adjourned, however, until to-morrow, out of respect to the death of Mr. Frank S. Humes, who died yesterday about 11 o'clock, and was buried to-day.

### Decoration Day in Winchester.

WINCHESTER, VA., May 30.—Special.—Decoration day at the Winchester National cemetery was observed with appropriate ceremonies under the auspices of Mulligan Post, G. A. R.

### Democratic Gains in Lee.

STICKLEVILLE, VA., May 30.—Special.—This county gained a Democratic victory Thursday, electing both circuit and county court clerks.

### DIXON TO LECTURE IN ASHEVILLE.

No Negro Representation on the Police Force.

ASHEVILLE, N. C., May 30.—Special.—Rev. A. C. Dixon, of Brooklyn, N. Y., will lecture in the Baptist church here shortly on "Europe Through Green Spectacles." Rev. Mr. Dixon used to be pastor of one of the Asheville Baptist churches, and is very popular with that denomination here.

It was reported on the streets here some time ago that, in pursuance of an election order, the new board of aldermen intended to give the negroes representation on the police force of the city. Of course, this was denied by the friends of the present administration, and some of the leading negroes a short while ago, in order to set the matter at rest, held a meeting and formulated a resolution requesting the board not to appoint one of their race to a position of the kind mentioned.

Only one other policeman has followed the example of Chief McDowell, and resigned, so far, and the developments of the week will be watched with great interest.

Scarcity of Silver in Italy.

ROME, May 30.—The monetary situation grows worse. The scarcity of silver is paralyzing trade, and the revival of the paper currency is believed to be inevitable. The Parliamentary commission ap-

pointed to investigate the reported complexity of Italian senators and deputies in the scandals relating to the Banca Lombarda and other financial institutions has resigned on the ground that the Chamber of Deputies made valid the election of Aguilera, an opposition deputy, contrary to the advice of the commission. The weakness of the newly reconstituted cabinet is aggravated by this resignation.

### SEMINARY COMMENCEMENT.

Oxford People Disappointed in Not Seeing the Davis Train.

OXFORD, N. C., May 30.—Special.—For the past day or two this place has been enlivened by many visitors to the commencement exercises of the Oxford Female Seminary. Sunday evening the Rev. T. G. Jones, D. D., of Norfolk, delivered the sermon before the young ladies to a crowded audience.

Last night the Rev. W. B. Hatcher, D. D., of Richmond, Va., delivered the annual address.

The concert on yesterday was a big success. The young ladies acquitted themselves in the best possible style.

It was a great disappointment to our people that the remains of ex-President Davis failed to be carried by Oxford, as was originally intended. The people here had mapped out an important programme, and it was a source of regret when it was found that the route had been changed and that our people would have no chance to show their respect to the memory of the distinguished dead, who was the exponent of the Southern idea in the late war between the States.

Mr. Chas. N. Hauer

Of Frederick, Md., suffered terribly for over ten years with abscesses and running sores on his left leg. He wasted away, grew weak and thin, and was obliged to use a cane and crutch. Everything which could be thought of was done without good result, until he began taking

**Hood's Sarsaparilla**

which effected a perfect cure. Mr. Hauer is now in the best of health. Full particulars of his case will be sent him who address

C. I. Hood & Co., Lowell, Mass.

## SUMMER DISEASES.

What Causes Them, With a Few Hints for Their Certain Prevention—This is Valuable Information.

Cholera morbus and summer diarrhoea occur principally during the summer and autumn. Cholera morbus is caused by improper food and sudden chilling of the body after exposure to great heat. Certain substances will produce it to certain persons, such as, for instance, as veal, raw milk taken with fish, or shell fish, and all dishes cooked with milk, such as rice pudding, cream puffs, and even ice cream, when kept too long. Unripe and over-ripe fruit, especially if taken with large draughts of ice water, will cause it. Avoid becoming chilled during sleep. In a climate as changeable as ours this is an ever-present danger. Persistent summer diarrhoea is usually caused by malarial, sewer air, or impure water. The knowledge of how to avoid or remedy these dangerous complaints will save much suffering, and avoid many a doctor's bill. Medical science tells us that the use of pure spirits, preferably whisky, in moderation is a sure safeguard against the diseases of the kind mentioned. There is but one pure medicinal whisky, and that is Duffy's Pure Malt. If it is taken regularly at his season, it keeps the stomach in healthy condition, purifies the entire system, and gives tone, strength and stimulus. It has been used for years by the American public, and is the most popular remedy of its kind in this land. It is true, there are interested parties who try to sell other so-called whiskeys, when they are asked for Duffy's, but such people have an interest against you, and they are not your friends. Do not be deceived, and insist upon having just what you call for.
